ORDER:

In the reference 1<sup>st</sup> read above, the Engineer-in-Charge(Irrigation), Hyderabad has submitted proposals to draw 960 KL/day of water in 8 hours of pumping in a day from 3 recommended infiltration wells by the Firm M/s. Veda Bio Fuel Private Limited from Champavathi river bed under Consumptive use with terms and conditions along with the terms and conditions of Ground Water Department subject to the concurrence of District Collector, Vizianagaram and the clearance of Pollution Control Board before commissioning of the project and also that the Ground Water Department may be entrusted with the responsibility of monitoring the Ground Water levels every year to ensure that no excess drawl or fall in Ground Water level is observed.

2. In the reference 3<sup>rd</sup> read above, the District Collector, Vizianagaram while submitting a report on M/s.Veda Bio Fuel Private Limited has recommended to consider to draw a quantum of 1209 KL/Day out of which 9 KL/Day for drinking water needs and 1200 KL/Day for industrial use from Champavathi River. The Deputy Director, Ground Water Department, Vizianagaram in his report has recommended 3 infiltration wells to draw only 960 KLD of water for 8 hours pumping in a day with terms and conditions for constant monitoring of groundwater scenario in the area by establishing observation wells.

3. Government after careful examination of the proposal submitted by the Engineer-in-Chief(Irrigation), Hyderabad hereby permit the industry, M/s. Veda Bio Fuel Private Limited to draw 960 KL/day of water in 8 hours pumping in a day from 3 recommended infiltration wells from Champavathi river bed for a period of ten years under Consumptive use with terms and conditions along with the terms and conditions of Ground Water Department for constant monitoring of groundwater scenario subject to the concurrence of District Collector, Vizianagaram and the clearance of Pollution Control Board.

P.T.O.,

4. The present royalty charges as per the G.O.Ms.No.39, I&CAD (PW:QC&IWS/COD)Department, dated:02-04-2002 for consumptive use would be charged on the consumer. The water royalty charges are likely to be revised by the Government from time to time and the industry shall pay the revised rates as fixed by the Government from time to time. The royalty charges on water shall be paid in advance every year, along with arrears if any due to revision.

5. The Engineer-in-Chief(Irrigation), Hyderabad / the Director, Ground Water Department shall take necessary further action in the matter, accordingly.
